## † † † Pastor's Notes † † †

Maytown Family,

When I think of all that is going on around us today, I can't help but think of what Paul said in

**2 Timothy 3:1, "But know this, that in the last days perilous times will come."** This means, there will be stressful, or difficult times. Boy, is this not where we are at right now? I am also reminded of what Paul said in **2 Timothy 1:7, "For God has not given us a spirit of fear, but of power and of love and of a sound mind."** So even in stressful times, we as Christians can have the peace of God, that passes all understanding, guard our hearts and minds through Christ Jesus.

In this difficult time, not only here, but around the world, we at Maytown have a desire to love our neighbors as ourselves, and out of an abundance of caution for the members of our church family, and our community, we have made the difficult decision to **cancel all in-person gatherings until further notice.** Sunday morning service will be moved to online on our Maytown YouTube channel at 10:30 a.m. We would like to encourage you to watch the service, and pray together as a family.

If you need any assistance please do not hesitate to contact any of the church staff or pastors and make us aware of how we can assist you. Also, please be mindful of the financial needs that we have as a church, and continue to give as you always have. You can give online, come by the church office on Monday between 8 and 12, or if you need we can come to you.

Please be in prayer daily for our church, our health care workers, first responders, the leaders of country, and everyone in it, that this will not last long, and that we come through it all with a greater love for each other. We trust the Lord that we will be back worshipping together soon.

Better Together,  
Maytown Church Staff
