+++ Pastor's Notes +++

I can't wait to meet back together with my church family. Our first service back will be JUNE 7, at 9:00 a.m. in the Sanctuary. The second service will in the Fellowship Hall at 10:30 a.m. We will have the facilities sanitized and the seating marked off for social distancing for everyone's safety. One of the benefits of having two services, is being able to spread out more, but still give families the opportunity to sit together.

We also feel that going to two services will give us an opportunity to reach out to broader age groups. The first service will be a traditional service, and the second service will be more contemporary to reach younger families. We would love to see both of these services grow.

In this, I can see Romans 8:28 at work, God taking that which is bad and working it out to what I believe can be good to the Glory of God. In this first phase of coming back, we will only be having these two services. We will continue to stream the services online and small groups will continue to meet by way of Zoom, and we would like for more groups to meet. We are encouraging family worship at this time, but we are discussing options for younger children that may need to be taken out.

As always, if you have and questions or concerns, please feel free to call.

Better together,

Lee's Notes

Hello church family, I hope everyone is doing well. I wanted to let you know that your staff has been meeting to make preparations to bring the church back together. I know everyone is wanting to get back to worshipping together and we are planning for Sunday, June 7th to be the day for our return.

Just remember, we will only be having worship services at 9:00am (sanctuary) and 10:30am (fellowship hall). Sunday School will resume at a later date. Wednesday services are still on hold until future notice, but I would like to encourage these small groups to do a virtual meeting if possible.

Be safe and we will be together soon.
