## † † † Pastor's Notes † † †

*"My father didn't tell me how to live; he lived, and let me watch him do it."*

Clarence Budington Kelland, American writer. What a great quote. If ever there is a day when we need fathers to lead their children and their families by example, it is today. According to the National Fatherhood Initiative, there is a crisis in America. The U.S. Census Bureau says that more than 1 in 4 children live without a father in the home. Research shows that nearly all the social ills facing America is the consequences of a fatherless home.

This coming Sunday, being Father's Day, I want to challenge and encourage all of our dads to be the godly example God has called us to be. Hope to see there.

Better together,  
Bro. Jimmy
